Note by the Secretariat

1. The present note is issued in accordance with rule 153 of the rules of procedure of the General Assembly.

2. The implementation of the recommendations contained in draft resolution A/70/L.1, entitled "Transforming our world: the 2030 Agenda for Sustainable Development", would require further review by the substantive departments, as well as assessment and consultations with all stakeholders. In this regard, it is anticipated that the adoption of the draft resolution would give rise to additional resource requirements under the regular budget.

3. However, it is not possible for the Secretariat to determine, at this stage, the full extent of the programme budget implications arising from the draft resolution.

4. Should the General Assembly adopt draft resolution A/70/L.1, the Secretary-General would submit a detailed revised estimates report for the proposed programme budget for the biennium 2016-2017 for consideration by the General Assembly at its seventieth session.
